

# The ASSET Club

Art, Socialization, Science, Education, Teamwork

## GOALS the ASSET Club

Friendship, Empowerment, Accomplishment, Leadership

This program will increase child-friendly activities in Sterling, led by experienced educators, including licensed, who are committed to foster a safe, educational environment. Children who participate will develop new skills and positive attitudes toward learning.

- 8:00am – 3:45pm on Mondays when RE-1 Valley School District is not in session
- Students age 6 to 17
- Families must complete an application and be accepted to the program
- Space is limited
- Free for families
- Donation of snacks and/or volunteer time is requested
- Quarterly field trips

## STEM Activities

Science      Engineering      Art      Math
